

Hey there,

Welcome back to our bi-weekly career growth newsletter. We're so happy you're back here with us!

And without further ado: Here's what you came for!

## **The Horse and the Jockey: The Real Flaw of Startups That Fail**

Nine years have not been enough to change an alarming statistic for entrepreneurs and venture capitalists. In 2012, a Harvard Business School study revealed that 75% of startups close without ever giving a return to their investors. Now, this year, CB Insights found out that little has changed: 70% of startups also close without giving a return to those who ...

## **Breaking into big tech w/ Dylan Israel**

Big tech is as booming as ever, and it does not look like it is slowing down anytime soon. Even during the COVID pandemic, the FAANG companies, that is Facebook, Apple, Amazon, Netflix, and Google with Microsoft being an honorary member, have grown their revenue by 50% during that year. And even while every other business was shutting down, they ...
